

Structural Alignment Therapy

for bodyworkers and manual therapists

March 21-24, 2019

4 Consecutive Days Thu-Sun

Transform your bodywork practice!

Become the "Go To" manual therapist for postural issues, injuries and repetitive stress.

Learn Karen Claffey's Structural Alignment Manual Therapy (SAMT) - a leading edge biomechanically therapeutic methodology that incorporates techniques from osteopathic manipulation, shiatsu and Thai yoga massage and includes Universal Principles of Alignment™ specifically applied to manual therapy.

This program is suitable for RMT's, Physiotherapists, Osteopaths, bodyworkers, as well as Yoga Teachers and Yoga Therapists interested in learning a highly effective and refined holistic approach to manual therapy.

CMTO Approved 25 CEU's

Instructor: Karen Claffey

To Register: Send payment of \$685 plus tax payable to: Karen Heaven Inc.
